## LEARN ABOUT IT AND HOW TO REPORT IT

The Welsh Refugee Council in collaboration with Bethel International Friendship Group, British Red Cross in Newport, Sewrec and Victim Support will be running a series of awareness raising sessions and workshop about Hate Crimes and Incidents with asylum seekers and refugees in the Gwent area. The sessions will provide an understanding of hate crime and incidents in Wales and how you can report it.

If you want to learn more about hate crime and incidents and how you can help stop it from happening to you or someone you know, join the groups taking place in Newport.
